The wider background of the AEC is the project '[Implementation of the European Agenda on Adult Learning \(EAAL\) 2014–2015 in Slovenia](http://llw.acs.si/learningparade/pas_events)' which encompasses 21 Promoting Adult Skills, i.e. so called PAS events (http://llw.acs.si/learningparade/pas_events) and the third Learning Parade – days of learning communities (<http://llw.acs.si/learningparade>).

The national opening of EPALE (<https://ec.europa.eu/epale>) is the official 'kick-off' event of the Electronic Platform for Adult Learning in Europe (<https://ec.europa.eu/epale/sl>) in Slovenia. Cooperation in a multilingual community of adult educators offers more than mere publishing of topical news and events in one place. It is an opportunity for exchanging opinions, setting-up partnerships and networking at national and European level. The event will illustrate the presentation of the topical theme of adult key competences in EPALE. It will also enable participants to experience EPALE in practice.

Note: We reserve the right to change the programme.
