

Regional NC EAAL and EPALE NSS meeting

On Dec 8, EU Agenda national coordinators and EPALE NSS representatives from Bosnia and Herzegovina, Croatia, Macedonia, Montenegro and Slovenia met in Ljubljana. We (together with other delegation members from these countries as well as from Kosovo and Serbia) took part in a conference titled 'Building bridges in adult education' and organized by the Slovenian Institute for Adult Education, CMEPIUS-EPALE NSS and three associations in the field of AE.

We discussed our calendars of events and made plans to meet again in April 2016 in Croatia (joint EPALE conference by Croatia, Slovenia and Bosnia and Herzegovina) as well as on June 1-3 in Slovenia (EBSN conference and 2016 closing event of the EU Agenda in SI). Macedonia, Montenegro and Bosnia and Herzegovina will have closing events in 2017.

Between meetings we agreed to keep in touch via e-mail.
