Responsible party: **Postojna Adult Education Centre**

Title: **Lifelong learning – options and opportunities for immigrants**

**Date and location:** 26 May 2015, Postojna

**Target group:** immigrants.

**Invited stakeholders:** representatives from municipalities, schools, regional offices of the ESS, social work centres, libraries, associations and media from the regions of Primorska and Notranjska.

## Event content

- **Professional part:** a round table with a special guest – Vlasta Nussdorfer, the Human Rights Ombudsman of the Republic of Slovenia, and a presentation of the experience of Maryan Antich, the recipient of the Slovenian Institute for Adult Education award for the promotion of adult learning and knowledge.
- **Practical part:** a workshop for the immigrant target group, entitled "Evaluate your informal knowledge and select the right national vocational qualification for you" in cooperation with the Postojna Guidance Centre.

## Findings and recommendations

- Immigrants require fresh knowledge for their social integration.
- Their lack of ability to communicate in Slovene further impedes their integration.
- Their previous informal education also needs to be taken into account.
- Certain groups are particularly difficult to establish contact with and vulnerable because of their cultural and religious background.
- Economic, social, cultural and psychological integration are also important, which is why the integration process requires comprehensive support.
